

Dumfries & Galloway Home Energy Assistance Scheme

Dumfries & Galloway Council have provided funding for a **FREE** and impartial home visit service to qualifying householders.

This service includes:

- An assessment of the home to identify energy improvements
- Funding available for measures including:
 - > Draught proofing
 - > Upgrading heating controls
 - > LED Lighting
 - > Loft Insulation
 - > Cavity Wall Insulation
 - > Heating upgrades
- Referrals to other grant funded schemes
- Energy advice
- Assistance with application forms
- Assistance and information on heating settings and controls
- Income Maximisation referral
- Fuel Switching assistance
- Follow up visits

Who
qualifies for
a home visit?

- Any householder who spends more than 10% of their income after rent/mortgage, on fuel for heating and cooking.
